

Association of Mathematics Teachers Of New York State

2009 Summer Math Institute
August 2- August 6, 2009
Wells College
Aurora, New York

March 2009

Greetings:

The **Association of Mathematics Teachers of New York State** will hold its **Summer Math Institute** from August 2 – August 6, 2009 (Sunday - Thursday) at Wells College in Aurora, New York. The theme for this year's conference is **Relax, Reflect, Renew**. Math educators from New York State and surrounding states are expected to attend, representing grade levels from kindergarten through college. Our elementary members are growing each year. You are invited to attend this conference as an exhibitor.

This is a hard time of the year for someone to commit to 5 full days. A sliding scale has been decided upon:

Exhibit for all four days (Monday-Thursday) : \$ 500

Exhibit on one of the full days(Monday 8/3 or Wednesday 8/5): \$300

Exhibit on one of the half days(Tuesday 8/4 or Thursday 8/6): \$200

If you are interested, please return your registration form by May 15, 2009 to me at:

Beryl Szwed
157 Kiwassa Rd
Saranac Lake, NY 12983

Or attach it to an e-mail to me at: Szwed@northnet.org

Your check, payable to Treasurer, AMTNYS, may be sent to me to arrive prior to July 1, 2009.

Please feel free to contact me with any questions.
